Product Discontinuation Notice

Dear Valued Securitron Customer,

Securitron is updating its product portfolio to align with the latest industry releases of underlying components and support for modern standards.

This letter provides information on affected parts of the iMXDa / iEXDa product line, End of Life timelines and replacementproduct availability.

Summary of Discontinued Part Numbers:

- iMXDa
- iMXDa-CA15S
- iMXDa-CA30S
- iMXDa-CH
- iMXDaCH-RIC
- iMXDaH
- iEXDa

Timeline for Discontinuance:

- Final Scheduled Ship Date / End of Warranty Period: **06/30/2024**

A possible replacement/solution is the Securitron DEM680E Series - Delayed Egress Magnalock. The DEM680E meets all current code requirements and is available in 8 architectural finishes. Any warranty replacements for the iMXDa and iEXDa Series, after the end of the warranty period, can be satisfied with the use of the DEM680E Delayed Egress Magnalock and the retrofit bracket (available in both clear and black finishes): RK-DEMCL or RK-DEMBK.

Please contact myself or your local sales representative if you have additional questions or concerns.

Sincerely,

Julia Kamody
